

## Visit our New Mexico Massage Therapy School in Albuquerque

Are you considering attending massage therapy school in New Mexico or in Albuquerque? Do you love massage? Do you enjoy helping people and building relationships one-on-one? Are you thinking about a career change, or building a supplemental stream of income?

If you answered 'yes' to any of these questions, Crystal Mountain School of Therapeutic Massage may be just what you're looking for.

Massage is one of the fastest growing careers in the United States. Between August of 2004 and July of 2005 roughly 47 million American adults received a massage. That's 2 million more adults than the number that received a massage the year before, which is about 4% more. It's also almost 1 out of every 6 people in the United States, or about 16% of the U.S. population. And the other 84% are catching on fast!

Crystal Mountain School of Therapeutic Massage is a wonderful place to attend massage therapy school. Why? Here are just a few of the reasons:

- Our graduates are highly respected in the community, which helps them get good jobs right out of school;
- Our business education is excellent, giving graduates the information they need to start their own practices, or to get a job faster:
- We have both a day and a night program, to accommodate different scheduling needs. You can complete our New Mexico massage therapy school program in less than seven months if you attend the day program, or continue working during the day and complete our night program in eleven months;
- Tuition is reasonably priced and we have a variety of payment plans and options in our New Mexico massage therapy school program..
- Our instructors are practicing massage therapists and they're knowledgeable, experienced, compassionate, and certified to teach massage in New Mexico;
- Our instructors are practicing massage therapists and they're knowledgeable, experienced, compassionate, and certified to teach massage in New Mexico;
- Our New Mexico massage therapy school has a friendly, welcoming atmosphere. We truly care about you as an individual student;
- We've been providing massage to the public in our clinic for over 25 years;
- We give students in our New Mexico massage therapy school program excellent skills training and in-depth practice with a variety of modalities;
- Students get extensive hands-on experience working in our clinic while they're in school;
- Albuquerque is a terrific place to go to school. It's near wonderful hiking and other recreational opportunities throughout scenic New Mexico; and
- Within Albuquerque our school is conveniently close to major highways. Even though it's centrally located, it's surrounded by grass and trees, and has great mountain views.
